

# ADULT BIBLE CLASSES

**ADULT BIBLE CLASSES AT SYCAMORE VIEW** provide opportunities for discipleship and Christian community. On Sunday mornings and Wednesday nights we offer many classes that engage in Bible study, spiritual growth, and building Christian community. We feel that it is important as a church to spend time reading God's Word to discern His message for us as a body of believers and as individuals. Our Bible classes also provide Christian fellowship and are great places for new members to get connected at Sycamore View.
